

# Twinkle, Twinkle, Little Star

trad.

Twinkle, twinkle, little star, how I wonder what you are. Up a bove the world so high,

like a dia-mond in the sky. Twinkle, twin-kle, lit-tle star, how I won-der what you are.

Twinkle, twinkle, little star,  
How I wonder what you are.  
Up above the world so high,  
Like a diamond in the sky.  
Twinkle, twinkle, little star,  
How I wonder what you are.

Then the traveller in the dark,  
Thanks you for your tiny spark,  
He could not see which way to go,  
If you did not twinkle so.  
Then the traveller in the dark,  
Thanks you for your tiny spark.

When the blazing sun is gone,  
When he nothing shines upon,  
Then you show your little light,  
Twinkle, twinkle, all the night.  
When the blazing sun is gone,  
When he nothing shines upon.

In the dark blue sky you keep,  
And often through my curtains peep,  
For you never shut your eye,  
Till the sun is in the sky.  
In the dark blue sky you keep,  
And often through my curtains peep.

As your bright and tiny spark,  
Lights the traveller in the dark.  
Though I know not what you are,  
Twinkle, twinkle, little star.  
As your bright and tiny spark,  
Lights the traveller in the dark.
